

REMARKS

Claim 1 has been canceled. Claims 2, 5 and 7 have been amended to depend from claim 8. Claim 8 has been amended to eliminate the indefinite phrase "in register." The terminology of claim 2 has been amended to comply with standard US practice.

Arguments

The Examiner had indicated that claim 8 would be allowable if rewritten to overcome the indefinite rejection and to include all limitations of the base claim. Claim 8 has been so amended. Claims 2, 5-7 and 9 are allowable as dependent upon claim 8.

Applicants believe all claims are now in condition for allowance, and request admission of the amended claims and allowance of claims 2 and 5-9.
